

7.3.1(2018-19)

Asansol Girls' College always aims to empower and make the girl students self-dependent in various aspects. In fulfilling such goals the institute also maintains some unique distinctiveness in many ways. Basic intention is to make the student educated enough in different stream as chosen by them. In various department numerous seminar, workshop, training, Internship and Career counseling has been arranged to give them best education in the subjects.

Apart from this various self-empowering course e.g. handicrafts course been taught to the interested candidates.

To make the student self-defensive in the age of women threat, karate course has also been introduced to them through regular classes.

Eligible students are also been selected and are going through various training of NCC and NSS regularly. Altogether every effective and possible step have been taken and its being modified in different aspect of making girl student self-dependent in a complete package.
