Beauty is the first test: There is no permanent place in the world for ugly mathematics.
— G.H.Hardy

One Day National Webinar on
A Mathematical Detour Towards Analysis, Groups And Its Applications in Modelling

Organized by

Department Of Mathematics & IQAC
Asansol Girls' College
NAAC accredited A level college
Asansol-713304

Date & Time

25th June,2021
10 am - 1 pm

Registration

scan
or
Reg link: https://forms.gle/upXq6tWTP82NqbBE8

Media

Google Meet
YouTube Live

Last date and time for registration is 24th June, 7pm. E-certificate will be issued after submission of feedback form. Only first 100 participants can join Google meet and remaining participants have to join YouTube live. For any quaries mail us at agc.math@gmail.com

Resources Persons

Dr. Arijit Gangopadhyay
Assistant Professor
IIT Kanpur
Sub: Easter Egg of Limit, Continuity and Differentiability
Time: 10 am - 11 am

Dr. Shubhabrata Das
Assistant Professor
Presidency University
Sub: Groups and Symmetry
Time: 11 am - 12 pm

Dr. Sudip Samanta
Assistant Professor
Bankura University
Sub: Modelling And Analysis of an Eco epidemiological System with Allee effect
Time: 12 pm - 1 pm

Dr. Sandip Kumar Ghatak
Chief Patron
Vice-Principal
Asansol Girls' College

Dr. Shyamal Seth
IQAC Coordinator
Asansol Girls' College

Organizing Committee

Mr. Chandan Kr Adak
Joint Convener
Assistant Professor

Dr. Fahad Al Basir
Joint Convener
Assistant Professor

Piyali Sarkar
SACT-I

Chaitali Roy
SACT-II

Technical Assistance

Dr. Pradip Ghanty
Assistant Professor
Dept. of Computer Science
